

Person

```
classDiagram
    class Person
    class Dozent
    class StudierenderDozent
    Person <|-- Dozent
    Dozent <|-- StudierenderDozent
```

The diagram illustrates a class hierarchy. At the top is the 'Person' class, represented by a dashed rectangular border. Below it is the 'Dozent' class, represented by a solid rectangular border. At the bottom is the 'StudierenderDozent' class, also represented by a solid rectangular border. A vertical arrow points from the 'Dozent' class up to the 'Person' class, indicating that 'Dozent' inherits from 'Person'. Another vertical arrow points from the 'StudierenderDozent' class up to the 'Dozent' class, indicating that 'StudierenderDozent' inherits from 'Dozent'.

Dozent

StudierenderDozent
